## **We are a full service law firm providing exemplary legal services to the community since 1978**

Real estate or business acquisitions and sales as well as estate planning involve multiple steps and potential problems that can be avoided or anticipated by experienced representation. If you need to be in court for any reason, to probate an estate or as a plaintiff or defendant, you need our experts to advocate for you.

**Sullivan Law Office is now part of Kennelly & Associates
